# PENSION CASH ACCUMULATION SCHEME

## INVESTMENT STATEMENT

**PREPARED AS AT 30 NOVEMBER 2011**  
**FOR THE PURPOSES OF THE SECURITIES ACT 1978**

---

## IMPORTANT INFORMATION

(The information in this section is required under the Securities Act 1978.)

Investment decisions are very important. They often have long-term consequences. Read all documents carefully. Ask questions. Seek advice before committing yourself.

### Choosing an investment

When deciding whether to invest, consider carefully the answers to the following questions that can be found on the pages noted below:

What sort of investment is this?	4
Who is involved in providing it for me?	4
How much do I pay?	5
What are the charges?	5
What returns will I get?	5
What are my risks?	8
Can the investment be altered?	9
How do I cash in my investment?	9
Who do I contact with inquiries about my investment?	9
Is there anyone to whom I can complain if I have problems with the investment?	10
What other information can I obtain about this investment?	10

## The Financial Markets Authority regulates conduct in financial markets

The Financial Markets Authority regulates conduct in New Zealand's financial markets. The Financial Markets Authority's main objective is to promote and facilitate the development of fair, efficient, and transparent financial markets.

For more information about investing, go to <http://www.fma.govt.nz>

## Financial advisers can help you make investment decisions

Using a financial adviser cannot prevent you from losing money, but it should be able to help you make better investment decisions.

Financial advisers are regulated by the Financial Markets Authority to varying levels, depending on the type of adviser and the nature of the services they provide. Some financial advisers are only allowed to provide advice on a limited range of products.

When seeking or receiving financial advice, you should check—

- the type of adviser you are dealing with:
- the services the adviser can provide you with:
- the products the adviser can advise you on.

A financial adviser who provides you with personalised financial adviser services may be required to give you a disclosure statement covering these and other matters. You should ask your adviser about how he or she is paid and any conflicts of interest he or she may have.

Financial advisers must have a complaints process in place and they, or the financial services provider they work for, must belong to a dispute resolution scheme if they provide services to retail clients. So if there is a dispute over an investment, you can ask someone independent to resolve it.

Most financial advisers, or the financial services provider they work for, must also be registered on the financial service providers register. You can search for information about registered financial service providers at <http://www.fspr.govt.nz>

You can also complain to the Financial Markets Authority if you have concerns about the behaviour of a financial adviser.

*... the trustee of the Scheme is the Board of Trustees of the National Provident Fund*

## 1. What sort of investment is this?

This Investment Statement relates to membership of the National Provident Pension Cash Accumulation Scheme ("Scheme"), which is offered to eligible persons ("contributors") - see page 11. The Scheme is a flexible, personal, retirement savings plan which is registered as a superannuation scheme under the Superannuation Schemes Act 1989.

## 2. Who is involved in providing it for me?

The trustee of the Scheme is the Board of Trustees of the National Provident Fund ("the Board").

The address of the Board (and its principal place of business in New Zealand) is:

Level 12  
The Todd Building  
95 Customhouse Quay  
Wellington 6011  
Telephone: (04) 499 6999

The address of the Board may change from time to time without notice to members. The Board's address is available online under the "Contact Us" tab at [www.npf.co.nz](http://www.npf.co.nz).

The Board has appointed Datacom Employer Services Limited ("Datacom") to administer the Scheme. Employees of Annuitas Management Limited ("Annuitas") act as the Board's executive office. The Board owns 50% of the shares in Annuitas.

Datacom's address, at which it can be contacted in relation to the Scheme, (and its principal place of business in New Zealand for the administration of the Scheme) is:

Level 6  
South Tower  
Datacom House  
68 Jervois Quay  
Wellington 6011

**or at** P O Box 1036  
Wellington 6140  
Telephone: 0800 628 776

The address of Datacom may change from time to time without notice to members. Datacom's address is available online under the "Contact Us" tab at [www.npf.co.nz](http://www.npf.co.nz).

Annuitas' address (and its principal place of business in New Zealand) is:

Level 12  
The Todd Building  
95 Customhouse Quay  
Wellington 6011  
Telephone: (04) 499 6999

## History of the Scheme

The Scheme was established in 1983 under section 38A of the National Provident Fund Act 1950 and, until 1991, operated through an omnibus fund called the National Provident Fund.

The National Provident Fund was restructured under the National Provident Fund Restructuring Act 1990 ("Act") on 1 April 1991 and, at that time, the terms of the Scheme then in force were set out in a trust deed under section 45 of that Act.

On 1 May 1999 all pensions then being paid under the Scheme were transferred to the National Provident Pension Scheme ("Pension Scheme"). All pensions becoming payable after that date are also paid from the Pension Scheme.

... there are currently  
no entry charges or  
contribution fees

### 3. How much do I pay?

You may make contributions to the Scheme of any amount and at any time you choose. There is no required minimum contribution, but there is a minimum balance that must be maintained if contributions are not being paid on a regular basis (see page 9).

You may elect to suspend or cease your contributions at any time. This provides you with the flexibility to change your commitments as your financial situation changes.

You may not contribute after you have reached the age of 70.

### 4. What are the charges?

The Board has discretion to charge an administration fee in respect of contributions. However, the Board's current policy is not to charge such a fee.

Fees and expenses relating to the operation of the Scheme are paid from the Scheme to Datacom (the Scheme administrator), the actuary and the auditor of the Scheme, and the Board's accountants, solicitors, and other advisers.

The total fees payable to the Scheme administrator for the administration of all National Provident superannuation schemes are set by an agreement between the Board and the Scheme administrator. Of these total fees, those charged to the Scheme are determined by membership category, membership numbers and the number of administrative transactions undertaken by the Scheme administrator.

The Board pays fees to Annuitas for acting as its executive office. These fees are based on Annuitas' costs and the proportion of the total services it performs which are provided to the Board.

The Scheme invests only in the National Provident Global Asset Trust (of which the Board is also the trustee). The Global Asset Trust holds assets on behalf of the National Provident superannuation schemes. The assets are managed by investment managers and held on behalf of the Global Asset Trust by custodians. Fees and expenses are paid by the Global Asset Trust to the investment managers and custodians, and to various consultants.

The remuneration of Board members and expenses incurred in carrying out the Board's affairs are paid from the Scheme, other National Provident superannuation schemes, and the Global Asset Trust.

As the above fees and expenses are paid from the Scheme, or the Global Asset Trust, they affect the amount of earnings of the Scheme available to be credited to you (see page 7).

### 5. What returns will I get?

Your returns from the Scheme are in the form of one of the following benefits –

- Retirement benefit
- Death benefit
- Permanent incapacity benefit

Each of these benefits is based on your Benefit Credit in the Scheme which is your Total Credit (your contributions, plus earnings and any reserve distributions during your membership of the Scheme) plus an equitable share, as determined by the Board, of any positive reserves in the Scheme at the time you elect or become eligible to receive a benefit. The share of the reserves will not include amounts accumulated within the Scheme before you joined it.

*... you normally retire at age 60*

## Retirement benefit

The normal retirement age for the Scheme is any age after 60. When you retire from the Scheme, you may choose to:

- convert your Benefit Credit in the Scheme to a pension payable for life; or
- take up to 25% of your Benefit Credit as a lump sum and convert the rest to pension; or
- use up to half of your Benefit Credit (after deduction of any lump sum payment) to purchase a pension for your nominee and convert the rest to a pension for yourself; or
- use your Benefit Credit (after deduction of any lump sum) to purchase a joint pension for yourself and your nominee; or
- take a refund of your Benefit Credit if it is below a certain amount (currently \$15,000).

However, you may not elect to receive a pension, for you or your nominee, if that pension would not be more than an amount decided by the Board from time to time (“the minimum pension”) (currently \$1,042.86 per annum). In that case the Benefit Credit will then be paid as a lump sum.

Your pension, and any pension payable to your nominee, will be paid from the Pension Scheme.

If a pensioner dies within 5 years from the date the pension commences the Board’s current policy is to pay to the pensioner’s estate an amount equal to the present value of the total of the pension instalments that would have been payable from the date of death to the end of that 5 year period. This amount will also be paid from the Pension Scheme.

*... you can nominate who receives your death benefit*

## Death benefit

If you die, before otherwise receiving a benefit under the Scheme your nominee may elect to receive all or part of your Benefit Credit in cash and (if the resulting pension would be more than the minimum pension referred to above) the balance (if any) in the form of a pension. The pension will be paid from the Pension Scheme. If you have not nominated a nominee, your Benefit Credit will be paid in cash to the administrator of your estate or to your legal representative.

*... please complete the nomination form*

A nomination form is enclosed with this Investment Statement.

## Permanent incapacity benefit

If the Board accepts you are permanently incapacitated, before otherwise electing a benefit under the Scheme, you may elect to receive a retirement benefit as outlined above.

## Transfer to Pension Scheme

As noted above, all pensions becoming payable under the Scheme are paid from the Pension Scheme. When the liability to pay a pension is transferred to the Pension Scheme the Board also transfers assets, with a value as determined by the Board (having considered the advice of the Actuary), to meet the liability transferred.

## Key factors affecting these benefits

The key factors which influence the amount of these benefits are –

- the amount of the contributions made by you;
- the earnings rate applied by the Board from time to time and up to the date you elect to receive a benefit;
- the amount of any reserves credited to your account by the Board during your membership of the Scheme;
- taxes on the investment earnings of the Scheme;

- whether the Scheme has positive reserves at the time you elect to receive a benefit and whether there has been an increase in the reserves of the Scheme during your membership; and
- in the case of a pension, the actuarial assumptions used to determine the amount of the pension.

## Earnings

As mentioned above, the Scheme's funds are invested, along with the funds of other National Provident superannuation schemes, in the Global Asset Trust.

The Global Asset Trust in turn invests in various investments, such as New Zealand and international shares, debt securities (such as Government stock, bank bills, company debentures, and short term deposits) and in property.

The earnings from these investments, after payment of the fees, expenses and tax of the Global Asset Trust (including the fees and expenses paid to investment managers and custodians - see page 5), are credited to the National Provident superannuation schemes, which have invested in the Global Asset Trust.

From time to time (and subject to the minimum earnings rate - see below) the Board declares an earnings rate for the Scheme and the period to which that rate is to apply. The earnings rate generally reflects the returns of the Scheme from the Global Asset Trust, less the fees, expenses and tax incurred (the "investment return"). Earnings at the rate declared by the Board are then credited to each contributor's Total Credit. Any positive investment return remaining after the earnings rate has been credited to the contributors' Total Credits will be credited to the Scheme reserves. At the date of this Investment Statement, the Board's policy is (when possible) to build and maintain a level of reserves which will enable it to credit the minimum earnings rate in years in which the investment return is less than the minimum earnings rate.

The Scheme trust deed provides that the earnings rate credited to a contributor each year must not be less than 4% per annum (the "minimum earnings rate").

## Reserves

Your benefit may also be affected by the Scheme's reserves which may, if the Board so decides, be applied to –

- increase contributors' Total Credits; or
- pay the expenses of the Scheme.

## Taxes

Tax laws may change from time to time, but under current law –

- your contributions to the Scheme are made from your after-tax income, and are not tax-deductible;
- the taxable income of the Scheme, and the Global Asset Trust, is taxed at 28%; and
- you do not pay tax on any benefit received from the Scheme (so it is not required to be shown in any income tax return).

## Payment of benefits

The Board, in its capacity as trustee of the Scheme and the Pension Scheme, is the body legally liable to pay benefits under the Scheme and under the Pension Scheme, as the case may be.

Pensions are paid by the Pension Scheme at 4-weekly intervals, or at other intervals as the Board may direct.

A lump-sum payment is made as soon as practicable after the recipient becomes entitled to it.

At the date of this Investment Statement, it is not possible to quantify the amount of any benefit or other payment to you under the Scheme.

*... earnings from investments are credited to the Scheme*

*... minimum earnings rate*

*... benefits are tax paid*

*... benefits payable are Crown guaranteed*

## Crown guarantee

Benefits payable under the Scheme and the Pension Scheme are guaranteed by the Crown by virtue of section 60 of the National Provident Fund Restructuring Act 1990. This guarantee is not subject to any conditions and is not secured by a mortgage or other charge.

## 6. What are my risks?

As mentioned above, the benefits payable under the Scheme and the Pension Scheme are guaranteed by the Crown.

It is possible that, if you elect to transfer out of the Scheme (see page 9), or if the Scheme is wound up (see below), you will receive less than the amount of your contributions to the Scheme.

There is no obligation on contributors to contribute any money to the Scheme beyond your initial contribution.

As mentioned above, the earnings on contributions made by you will depend upon the returns made by the Global Asset Trust on the investments of the Scheme. Returns on those investments will fluctuate from year to year in line with fluctuations in investment markets.

However, the trust deed provides for a minimum earnings rate to be credited to you (see page 7).

*... professional investment management*

## Professional investment management

The Board is responsible for establishing and maintaining the investment policy of the Global Asset Trust. The Board's objective is to optimise returns at an acceptable level of risk.

The Board has appointed professional investment managers to manage the assets of the Global Asset Trust. Investment mandates are set and each investment manager's performance is monitored against its mandate on a regular basis.

## What if the Scheme is wound up?

The Scheme may be wound up only at the direction of the Minister of Finance after consultation with the Board.

Contributors will not be liable to pay money to any person if the Scheme is wound up.

On a winding up, the net assets of the Scheme, less the reasonable costs of the winding up, will be allocated, upon realisation, on a pro-rata basis to each remaining contributor.

The pro rata allocations will then be transferred to another superannuation scheme, which provides personal pensions.

The payment of any creditors and the reasonable costs of the winding up will rank ahead of the claims of contributors and beneficiaries. The claims of all contributors and other beneficiaries will rank equally in the winding up.

It is possible, but unlikely, that on a winding up of the Scheme you may receive less than the amount of your contributions to the Scheme plus earnings. This could only occur where the total liabilities of the Scheme exceed the total assets of the Scheme.

## Missing Persons

If you do not keep the Board informed of your current address for more than 5 years you will be classified as a missing person and the Board may (after using reasonable efforts to find your current address) decide to cancel the liabilities of the Scheme to you. However, those liabilities will be reinstated if, within 15 years following the date of cancellation, you establish, to the Board's satisfaction, that you are the person to whom those liabilities were owed.

*... amendments  
authorised by Act of  
Parliament*

## 7. Can the investment be altered?

The trust deed of the Scheme contains a clause allowing amendment of the deed by the Board. However, the Superannuation Schemes Act 1989 and the trust deed protect each contributor's and beneficiary's rights and interests by requiring his or her consent to any amendment which, among other things, would have the effect of adversely affecting his or her benefits, increasing contributions, fees or charges.

An Act of Parliament may authorise amendment of the Scheme trust deed without the need to obtain contributors' and beneficiaries' consents.

## 8. How do I cash in my investment?

### Withdrawal rights

Except as stated below, you have no right to withdraw your Total Credit before becoming entitled to a retirement, death, or permanent incapacity benefit.

### Transfers

A contributor may elect to transfer from the Scheme to another registered superannuation scheme on certain conditions. On transfer the Board will transfer to the new superannuation scheme the contributor's Total Credit in the Scheme plus (or minus, if the reserves are then negative) an equitable share determined by the Board of the Scheme's reserves at that time.

The share of reserves will not include amounts accumulated in the Scheme before you joined it. In some circumstances, a contributor may be able to cash in his or her Total Credit in the Scheme by transferring to another superannuation scheme and then withdrawing from that scheme.

### Permanent Emigration

If you leave New Zealand permanently then you can apply to the Board for payment of your Total Credit to you.

### No right to sell or mortgage

There is no right to sell, assign, charge, borrow against, transfer, or obtain payment of a contributor's Total Credit under the Scheme, other than as described above with respect to transfers, or in the sections headed *What returns will I get?* (see page 5).

### Minimum balances

If at any time your Total Credit (account balance) is less than a minimum amount specified by the Board from time to time (currently \$5,000) the Board may pay your Benefit Credit (see page 5) to you and you will then cease to be a member of the Scheme. Before making such a payment the Board is required to give you at least 6 months' notice and may not make such a payment if you increase your Total Credit to the minimum amount within this period.

## 9. Who do I contact with inquiries about my investment?

Your Scheme's administrator is Datacom, whose staff will be pleased to assist you with any enquiries you may have regarding the terms of the Scheme. They can be contacted at the following address:

Level 6  
South Tower  
Datacom House  
68 Jervois Quay  
Wellington 6011

*... Scheme administrator

**or at** P O Box 1036  
Wellington 6140

or by calling tollfree between 8.30am and 5.00pm on business days on: 0800 628-776

## 10. Is there anyone to whom I can complain if I have problems with the investment?

Any complaints about the Scheme should, in the first instance, be made to Datacom at the following address:

Level 6  
South Tower  
Datacom House  
68 Jervois Quay  
Wellington 6011

**or at** P O Box 1036  
Wellington 6140

or by calling tollfree between 8.30am and 5.00pm on business days on:  
0800 628-776

Complaints can also be made to the Secretary, Board of Trustees of the National Provident Fund.

Level 12  
The Todd Building  
95 Customhouse Quay  
Wellington 6011

Telephone: (04) 499 6999

The Board is exempt from any requirement under the Financial Service Providers (Regulation and Dispute Resolution) Act 2008 to be a member of a dispute resolution scheme and, as such, there is no approved dispute resolution scheme to which complaints about the Scheme can be made.

If you feel that the Scheme is not operating in accordance with (or is not meeting the requirements of) the Superannuation Schemes Act 1989 or any regulations made under that Act, or that the financial position, security of benefits or management of the Scheme is inadequate, then you may complain to the Financial Markets Authority at:

Financial Markets Authority  
Level 8, Unisys House  
56 The Terrace  
PO Box 1179  
Wellington 6140  
Telephone: 04 472 9830  
Facsimile: 04 472 8076

## 11. What other information can I obtain about this investment?

### Regular information

Each year you will be sent a statement of -

- the contributions made by or for you during the preceding year; and
- the earnings credited to you in the preceding year; and
- your Total Credit at the end of the preceding year,

plus a copy of the Scheme's annual report.

*You have the right  
to inspect a range of  
documents*

## Information that you may request

This Investment Statement sets out only a summary of some of the terms of the Scheme. Full details are contained in the Scheme's trust deed. If you wish to view the trust deed or a copy of the Scheme's full financial statements, please visit the NPF website – [www.npf.co.nz](http://www.npf.co.nz).

Copies of the trust deed, the Scheme's full financial statements and the most recent triennial actuarial examination of the Scheme required under the Act may be purchased from the Scheme administrator for \$10 each.

You may also request the Scheme administrator to provide you with -

- an estimate of your benefits;
- a copy of the most recent annual report for the Scheme. The annual report is also available on [www.npf.co.nz](http://www.npf.co.nz);
- a statement of the interest and other assumptions and bases of calculation used by the Actuary for the purposes of a triennial actuarial examination of the Scheme;
- a copy of the most recent investment statement relating to the Scheme; and
- any information required to be disclosed by the Privacy Act.

## Other information

Other information about the Scheme is available in the most recent annual report (which incorporates summary financial statements) for the Scheme, a copy of which can be obtained, free of charge, on request from the Scheme administrator.

Requests to the Scheme administrator for information should be made in writing to its address set out on page 9 or by calling tollfree between 8.30am and 5.00pm on business days on: 0800 628 776.

## 12. Who is eligible to join the Scheme?

The Scheme was closed to new contributors from 1 April 1991. However, you are eligible to join if you were a contributor to a National Provident superannuation scheme on 31 March 1991 and you are under age 70.

Special conditions affecting eligibility to join the Scheme apply to contributors to the National Provident DBP Contributors Scheme, Aircrew Scheme and Old Public Fund Schemes. Ask the Scheme administrator for details.

## How to join

An application form is enclosed with this Investment Statement. To join, simply complete this form have it signed by your employer, then return it either to your payroll officer or to the Scheme administrator.

If you wish to nominate a person to receive a benefit from your Total Credit if you die while still a contributor to the Scheme, please also complete the nomination form enclosed.

In accordance with the Privacy Act the information supplied on your application form will be used only for the purpose intended.

*If you require further information on any aspect of the Scheme,  
please contact the Scheme administrator  
tollfree between 8.30am and 5.00pm on business days on  
0800 628 776  
or write to Freepost 1060, P O Box 1036, Wellington 6140.*
