

Board of Trustees of the National Provident Fund

NPF RESPONSIBLE INVESTMENT EXCLUSION LIST - September 2025

This is a list of companies whose securities the Board of Trustees of the National Provident Fund has decided will not be held by the National Provident Fund (Fund). This list applies to securities held directly in the Fund's name through our segregated mandates. These make up most of our investments. A minority of the Fund's investments are in collective investment vehicles (i.e. managers' funds) where we cannot apply our exclusions, however we do advise those managers of our exclusions for their information. This exclusions list is periodically reviewed and updated and is provided for general information purposes only and not intended for any other purpose.
