

DBP Annuitants Scheme

On behalf of the Board of Trustees of the National Provident Fund, set out below is a report on the performance and activities of your Scheme for the year ended 31 March 2024. Further information on the National Provident Fund's activities, and commentary on investment markets, is set out in the Chair's letter.

Your Scheme

CROWN GUARANTEE

The DBP Annuitants Scheme is a defined benefit scheme. The benefits payable by your Scheme are guaranteed by the Crown.

The Scheme's funding position is set out in a table in this report. The numbers in the table show the net assets are insufficient to meet the Scheme's current and future obligations to pay pensions.

The net assets available to pay the benefits of the Scheme were exhausted in May 2009, after a provision was made for future operating expenses. However, members should not be concerned as the benefits payable by your Scheme are guaranteed by the Crown.

A call was made under the Crown guarantee in May 2009 and the first payment from the Crown, to fund the pension benefits payable by the Scheme, was received on 27 May 2009. The Crown has been meeting the cost of paying pension benefits from the Scheme as they fall due since May 2009 and continues to do so, after allowing for transfers in from the DBP Contributors Scheme.

The Board provides information to the Crown on an annual basis on the financial position of the Scheme and the Crown has made a provision in its financial statements for the future funding of the Scheme.

Annual Report for the year ended 31 March 2024

SUMMARY FINANCIAL STATEMENTS

The summary financial statements included in this Annual Report have been extracted from the full financial statements for the year ended 31 March 2024.

The summary financial statements cannot be expected to provide as complete an understanding as the full financial statements.

Members are welcome to view the full financial statements on our website – www.npf.co.nz/members/schemes – or contact the Scheme administrator, Datacom (see details on back page), for a free copy of the Scheme's full financial statements.

INVESTMENT PERFORMANCE

The assets of the Scheme are invested in global fixed interest. The asset class return (before tax and expenses) and the comparative performance of the benchmark index are shown in the table below.

Asset Class	Return	Index
Fixed interest (global)	5.17%	3.80%

The investment return (after tax and expenses) earned by the Scheme for the year ended 31 March 2024 was 2.29% (2023: (3.96%)). In dollar terms, this represents an investment gain of \$1.60 million (2023 investment loss: \$1.26 million).

This year was generally a good one for financial markets, in particular for the global equities asset class which performed very strongly. Inflation and high interest rates remained key influences on markets throughout the year. While the markets have performed well, getting inflation back to the levels seen before 2022 remains a challenge. The Board continues to monitor the impact of movements in the market, and the implication for investment strategy, on an ongoing basis.

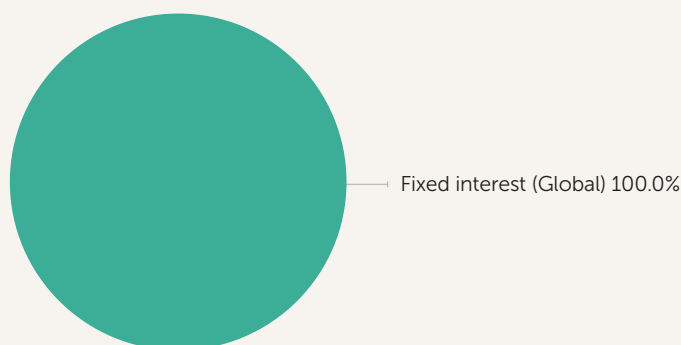

See the 10 year comparison page for the key statistics of your Scheme over the last 10 years. For an overview of the financial performance of the Scheme, refer to the summary financial statements on the following page.

HOW YOUR MONEY IS INVESTED

The Board's Statement of Investment Policies, Standards and Procedures (SIPSP) is reviewed regularly by the Board. During the year the SIPSP was updated and there were no significant changes to the SIPSP relating to the Scheme. See our website, www.npf.co.nz, for more information about your Scheme, including the Board's SIPSP and the Scheme Trust Deed.

The Auditor-General is the auditor of DBP Annuity Scheme (the Scheme). The Auditor-General has appointed me, Pam Thompson, using the staff and resources of Deloitte Limited, to carry out the audit of the summary financial statements of the Scheme on his behalf.

OPINION

The summary financial statements of the Scheme that comprise the summary statement of net assets as at 31 March 2024, the summary statement of changes in net assets and the summary statement of cash flows for the year ended on that date, and related notes, are derived from the full financial statements for the year ended 31 March 2024 that we have audited.

In our opinion, the summary financial statements are consistent, in all material respects, with the full financial statements for the year ended 31 March 2024, in accordance with FRS-43: Summary Financial Statements issued by the New Zealand Accounting Standards Board.

SUMMARY FINANCIAL STATEMENTS

The summary financial statements do not contain all the disclosures required by generally accepted accounting practice in New Zealand. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the full financial statements and the auditor's report thereon.

The summary financial statements do not reflect the effects of events that occurred subsequent to the date of our auditor's report on the full financial statements.

THE FULL FINANCIAL STATEMENTS AND OUR AUDIT REPORT THEREON

We expressed an unmodified audit opinion on the full financial statements for the year ended 31 March 2024 in our auditor's report dated 25 June 2024. That report also includes the communication of key audit matters.

BOARD OF TRUSTEES' RESPONSIBILITY FOR THE SUMMARY FINANCIAL STATEMENTS

The Board of Trustees is responsible on behalf of the Scheme for the preparation of the summary financial statements in accordance with FRS-43: Summary Financial Statements.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the full audited financial statements of the Scheme, based on our procedures, which were carried out in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board.

We did not evaluate the security and controls over the electronic publication of the summary financial statements.

Other than in our capacity as auditor, we have no relationship with, or interests in the Scheme.
