On behalf of the Board of Trustees of the National Provident Fund, set out below is a report on the performance and activities of your Scheme for the year ended 31 March 2021. Further information on the National Provident Fund's activities, and commentary on investment markets, is set out in the Review.

#### **Your Scheme**

#### **CROWN GUARANTEE**

The DBP Contributors Scheme is a defined benefit scheme. The benefits payable by your Scheme are guaranteed by the Crown.

#### INVESTMENT PERFORMANCE

The asset class returns (before tax and expenses) and the comparative performance of the benchmark indices are shown in the table below.

Asset Class	Return	Index
Fixed interest	9.58%	1.39%
Overseas shares	49.79%	41.01%

The investment return (after tax and expenses) earned by the Scheme for the year ended 31 March 2021 was 13.02%.

See the comparison over the page for the key statistics of your Scheme over the last 10 years. For an overview of the financial performance of the Scheme, refer to the tables on the following pages.

#### EMPLOYER CONTRIBUTION RATE

Each year the Board's Actuary carries out a review of the Scheme to determine an employer contribution rate sufficient to meet the accrued and future liabilities of the Scheme.

In the actuarial review, completed as at 31 March 2020, the Actuary recommended the employer contribution rate to the Scheme be set at 4.0 times contributors' contributions from 1 April 2021 with a further scheduled increase from 1 April 2022 to 6 times contributors' contributions. In making the recommendation the Actuary noted the funding level of the Scheme had deteriorated over the year to 31 March 2020, reducing from 98.1% to 95.9%. The recommendation was accepted and endorsed by the Board.

Given the Scheme's funding position has improved at 31 March 2021 (refer comment on funding position below), we expect the Actuary will review her recommendation of a further increase in the employer contribution rate with effect from 1 April 2022.

### Annual Report for the year ended 31 March 2021

#### SUMMARY FINANCIAL STATEMENTS

The summary financial statements included in this Annual Report have been extracted from the full financial statements for the year ended 31 March 2021.

The summary financial statements cannot be expected to provide as complete an understanding as the full financial statements.

Members are welcome to contact the Scheme administrator, Datacom (see details on back page), for a free copy of the Scheme's full financial statements.

#### FUNDING POSITION

The Actuary has advised the funding level of the Scheme, as at 31 March, was:

	2021 (\$000)	2020 (\$000)
Net assets	57,369	65,489
Past service liabilities	(56,107)	(68,262)
Funding level*	102.2%	95.9%

\* The funding level has been calculated on the funding basis using a discount rate of 2.3% pa net of tax and investment related expenses (2020: 2.5% pa). Calculating the funding level on a minimum risk basis (and a discount rate of 0.30% pa (2020: 0.35% pa)) would give a funding level of 97.6% at 31 March 2021 (31 March 2020: 90.7%).

The value of past service liabilities above assumes members continue in the Scheme until their expected retirement date.

Around the world the Covid-19 outbreak has led to significant economic slowdown and volatility. These disruptions are likely to continue into the foreseeable future and provide uncertainty for the value of the investment assets and the income earned from them. For the year ended 31 March 2021 the Scheme has recorded a gain from unit funds of \$7.68 million. This compares to a loss of \$0.57 million in the previous year. The Board continues to monitor the impact of the movements in the market on an ongoing basis.

#### SUBSEQUENT EVENTS

There were no material events subsequent to balance date requiring amendments to these financial statements.

#### TRUSTEE'S REPORT

#### For the year ended 31 March 2021

The Board of Trustees of the National Provident Fund, as trustee of the Scheme, provides members with the following information in respect of the Scheme.

Changes in the Scheme membership numbers during the year were as follows:

	Contributors
Opening membership as at 1 April 2020	110
Withdrawals	(3)
Deaths and disablements	-
Transfers to DBP Annuitants Scheme	(12)
Transfers	(6)
Extinguished liabilities*	2
Closing membership as at 31 March 2021	91

\* Following a trust deed amendment on 1 July 2005, once reasonable efforts have been made to locate a member who has been missing for at least five years, the Board may extinguish the liabilities to that member. Where a person re-establishes contact with the Board within 15 years of the liabilities to that person being extinguished, the person is reinstated as a member of the Scheme.

Under the terms of the Scheme trust deed, contributions are not required to be made to the Scheme.

The Board certifies that, to the best of its knowledge, all benefits required to be paid from the Scheme were paid in accordance with the terms of the Scheme trust deed.

The Board based on the advice of the Actuary certifies that, as at 31 March 2021, the market value of the net assets of the Scheme was less than the total value of the vested benefits of the Scheme under the funding basis.

#### FEES

Scheme administration fees are calculated on fee per member and fee per transaction bases and are charged to the Scheme as a whole. Effective 1 October 2020, the administration fees increased in line with inflation. The Board certifies it is satisfied the increase in the administration fees for the Scheme is not unreasonable. The Board is satisfied the total management fees charged to the Scheme are not unreasonable.

#### TRUST DEED AMENDMENTS

The Scheme trust deed was last amended on 1 April 2021 (after year end). The amendments are effective from 1 April 2021 and were made following the repeal of the Trustee Act 1956 to address changes brought about under the Trusts Act 2019 and to allow members in sections A, D and E of the Scheme Trust Deed to receive their pension from age 65 without having to cease employment. A copy of the trust deed is available on request.

#### INDEPENDENT AUDITOR'S REPORT

### To the readers of DBP Contributors Scheme's summary financial statements for the year ended 31 March 2021.

The Auditor-General is the auditor of DBP Contributors Scheme (the Scheme). The Auditor-General has appointed me, Silvio Bruinsma, using the staff and resources of Deloitte Limited, to carry out the audit of the summary financial statements of the Scheme on his behalf.

#### OPINION

The summary financial statements of the Scheme that comprise the summary statement of net assets as at 31 March 2021, the summary statement of changes in net assets, and the summary statement of cash flows for the year ended on that date, and related notes, are derived from the full financial statements for the year ended 31 March 2021 that we have audited.

In our opinion, the summary financial statements are consistent, in all material respects, with the full financial statements for the year ended 31 March 2021, in accordance with FRS-43: Summary Financial Statements issued by the New Zealand Accounting Standards Board.

#### SUMMARY FINANCIAL STATEMENTS

The summary financial statements do not contain all the disclosures required by generally accepted accounting practice in New Zealand. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the full financial statements and the auditor's report thereon.

### THE FULL FINANCIAL STATEMENTS AND OUR AUDIT REPORT THEREON

We expressed an unmodified audit opinion on the full financial statements for the year ended 31 March 2021 in our auditor's report dated 24 June 2021. That report also includes the communication of key audit matters.

### BOARD OF TRUSTEES' RESPONSIBILITY FOR THE SUMMARY FINANCIAL STATEMENTS

The Board of Trustees is responsible on behalf of the Scheme for the preparation of the summary financial statements in accordance with FRS-43: Summary Financial Statements.

#### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the full audited financial statements of the Scheme, based on our procedures, which were carried out in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board.

We did not evaluate the security and controls over the electronic publication of the summary financial statements.

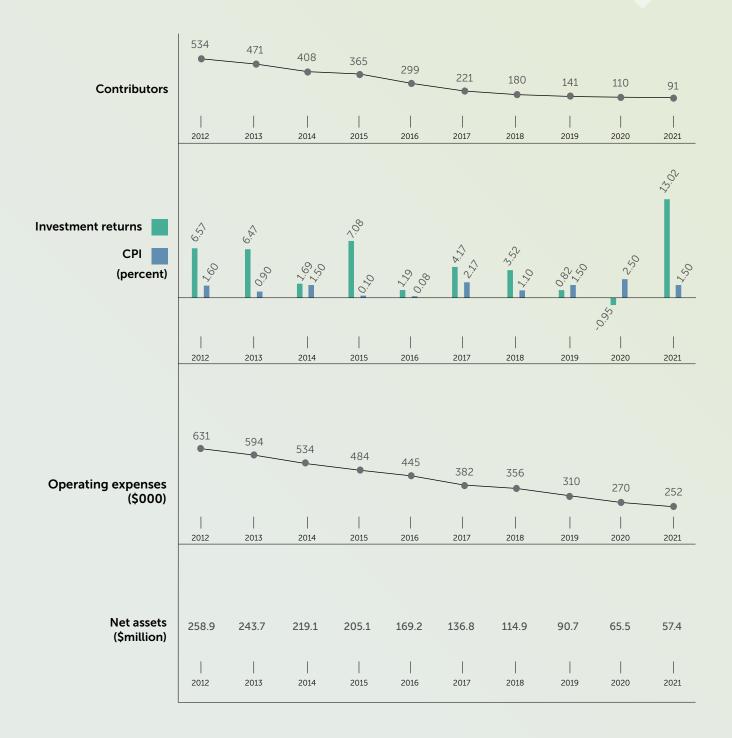

Other than in our capacity as auditor, we have no relationship with, or interests in the Scheme.
