\* The funding level is the net assets of the Scheme divided by the past service liabilities. The funding level has been calculated on two bases: an expected return basis (Funding Basis) and on a Sovereign bond curve basis (Sovereign Basis). The Funding Basis used an expected discount rate, being the expected investment return on the assets of the Scheme. The rate ranged from 1.9% to 2.9% over the years 2027 to 2034, net of tax and investment related expenses (2025: 2.9% to 2.2% pa over the years 2026 to 2034). The Sovereign Basis, uses Sovereign bond yields (net of tax and investment expenses) which have decreased between 31 March 2026 and 31 March 2027, increasing the value of the liabilities.

## TRUSTEE'S REPORT

For the year ended 31 March 2026

The Board of Trustees of the National Provident Fund, as trustee of the Scheme, provides members with the following information in respect of the Scheme.

Changes in the Scheme membership numbers during the year were as follows:

|                                        | Contributors |
|----------------------------------------|--------------|
| Opening membership as at 1 April 2025  | 17           |
| Withdrawals                            | -            |
| Deaths and disablements                | -            |
| Transfers to DBP Annuitants Scheme     | (3)          |
| Transfers                              | (6)          |
| Extinguished liabilities*              | -            |
| Closing membership as at 31 March 2026 | 8            |

\* Following a Trust Deed amendment on 1 July 2005, once reasonable efforts have been made to locate a member who has been missing for at least five years, the Board may extinguish the liabilities to that member. Where a person re-establishes contact with the Board within 15 years of the liabilities to that person being extinguished, the person is reinstated as a member of the Scheme.

On the basis of evidence available, the Board believes all contributions required to be made to the Scheme, in accordance with the terms of the Scheme Trust Deed, have been made.

The Board certifies that, to the best of its knowledge, all benefits required to be paid from the Scheme were paid in accordance with the terms of the Scheme Trust Deed.

The Board based on the advice of the Actuary, certifies that as at 31 March 2026, the net market value of the Scheme's assets was less than the total value of the vested benefits of the Scheme under the Funding Basis.

The Board confirms that, to the best of its knowledge, not more than 10% of the net market value of the Scheme assets were invested with the employers (or associated entities), either directly or indirectly, who are parties to the Scheme.

### FEES

Scheme administration fees are apportioned on fee per member and fee per transaction bases and are charged to the Scheme as a whole. As at 1 April 2025 and 2026 the scheme administration fees were increased for inflation.

The Board certifies it is satisfied the increase in the administration fees for the Scheme is not unreasonable. The Board is satisfied the total management fees charged to the Scheme are not unreasonable.

### TRUST DEED AMENDMENTS

The Scheme Trust Deed has not been amended during the financial year.

## INDEPENDENT AUDITOR'S REPORT

### To the members of DBP Contributors Scheme

The Auditor-General is the auditor of DBP Contributors Scheme (the Scheme). The Auditor-General has appointed me, Pam Thompson, using the staff and resources of Deloitte Limited, to carry out the audit of the summary financial statements of the Scheme on his behalf.

### OPINION

The summary financial statements of the Scheme that comprise the summary statement of net assets as at 31 March 2026, the summary statement of changes in net assets, and the summary statement of cash flows for the year ended on that date, and related notes, are derived from the full financial statements for the year ended 31 March 2026 that we have audited.

In our opinion, the summary financial statements are consistent, in all material respects, with the full financial statements for the year ended 31 March 2026, in accordance with FRS-43: Summary Financial Statements issued by the New Zealand Accounting Standards Board.

### SUMMARY FINANCIAL STATEMENTS

The summary financial statements do not contain all the disclosures required by generally accepted accounting practice in New Zealand. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the full financial statements and the auditor's report thereon.

The summary financial statements do not reflect the effects of events that occurred subsequent to the date of our auditor's report on the full financial statements.

### THE FULL FINANCIAL STATEMENTS AND OUR AUDIT REPORT THEREON

We expressed an unmodified audit opinion on the full financial statements for the year ended 31 March 2026 in our auditor's report dated 26 June 2026. That report also includes the communication of key audit matters.

### BOARD OF TRUSTEES' RESPONSIBILITY FOR THE SUMMARY FINANCIAL STATEMENTS

The Board of Trustees is responsible on behalf of the Scheme for the preparation of the summary financial statements in accordance with FRS-43: Summary Financial Statements.

### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the full audited financial statements of the Scheme, based on our procedures, which were carried out in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board.

We did not evaluate the security and controls over the electronic publication of the summary financial statements.

Other than the audit and an assurance engagement for the register of members, we have no relationship with, or interests in, the Scheme.
