### INDEPENDENT AUDITOR'S REPORT

**To the readers of the Lump Sum Cash Accumulation Scheme's Summary Financial Statements for the year ended**

**31 March 2016**

We have audited the summary financial statements, which were derived from the audited financial statements of the Lump Sum Cash Accumulation Scheme (the Scheme) for the year ended 31 March 2016 on which we expressed an unmodified audit opinion in our report dated 23 June 2016.

The summary financial statements comprise the summary statement of net assets as at 31 March 2016, and summaries of the statement of changes in net assets and the statement of cash flows for the year then ended and the related notes.

#### Opinion

In our opinion, the information reported in the summary financial statements complies with FRS-43: *Summary Financial Statements* and is consistent in all material respects with the audited financial statements from which they have been derived.

#### Basis of opinion

The audit was conducted in accordance with the Auditor-General's Auditing Standards which incorporate the International Standards on Auditing (New Zealand).

The summary financial statements and audited financial statements from which they were derived, do not reflect the effects of events that occurred subsequent to our report dated 23 June 2016 on the audited financial statements.

The summary financial statements do not contain all the disclosures required for audited financial statements under generally accepted accounting practice in New Zealand. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of the Scheme.

#### Responsibilities of the Board of Trustees and the Auditor

The Board of Trustees is responsible for preparing the summary financial statements in accordance with FRS-43: *Summary Financial Statements*. The Board of Trustees is also responsible for the publication of the summary financial statements whether in printed or electronic form. We are responsible for expressing an opinion on those statements, based on the procedures required by the Auditor-General's auditing standards and the International Standard on Auditing (New Zealand) 810: *Engagements to Report on Summary Financial Statements*.

Other than in our capacity as auditor we have no relationship with, or interest in, the Scheme.
