INVESTMENT PERFORMANCE CONTINUED

Around the world the ongoing impacts of the Covid-19 pandemic, central banks' response to address rising inflation and heightened geo-political instability, most noticeably evident in the ongoing conflict in Ukraine, have led to a significant economic slowdown and financial market volatility. The impact of these factors is likely to continue into the foreseeable future with flow on impact on the returns from the Scheme's investments. The Board continues to monitor the impact of the movements in the market, and the implication for investment strategy, on an ongoing basis.

See the comparison over the page for the key statistics of your Scheme over the last 10 years. For an overview of the financial performance of the Scheme, refer to the tables on the following pages.

TRUSTEE'S REPORT

For the year ended 31 March 2023

The Board of Trustees of the National Provident Fund, as trustee of the Scheme, provides members with the following information in respect of the Scheme.

Changes in the Scheme membership numbers during the year were as follows:

	Contributors
Opening membership as at 1 April 2022	1,315
Retirements	(104)
Withdrawals	(3)
Transfers	-
Deaths and disablements	(33)
Joins/rejoins	73
Extinguished liabilities*	-
Closing membership as at 31 March 2023	1,248

* Following a trust deed amendment on 5 April 2001, once reasonable efforts have been made to locate a member who has been missing for at least five years, the Board may extinguish the liabilities to that member. Where a person re-establishes contact with the Board within 15 years of the liabilities to that person being extinguished, the person is reinstated as a member of the Scheme.

The terms of the Scheme trust deed do not specify contribution levels.

The Board certifies that, to the best of its knowledge, all benefits required to be paid from the Scheme were paid in accordance with the terms of the Scheme trust deed.

The Board, based on the advice of the Actuary, certifies that as at 31 March 2023, the market value of the net assets of the Scheme was approximately equal to the amount that would have been payable if all members transferred out of the Scheme on that date but was less than the amount that would have been payable if all contributors retired on that date.

FEES

New scheme administration fees were negotiated with effect from 1 April 2022. Scheme administration fees are apportioned on fee per member and fee per transaction bases and are charged to the Scheme as a whole. As at 1 April 2023 the fees were increased for inflation. The Board certifies it is satisfied the increase in the administration fees for the Scheme is not unreasonable. The Board is satisfied the total management fees charged to the Scheme are not unreasonable.

TRUST DEED AMENDMENTS

The Scheme Trust Deed has not been amended since 28 June 2022, being the date of the Scheme's last annual report. A copy of the trust deed is available on request.

INDEPENDENT AUDITOR'S REPORT

To the readers of Lump Sum Cash Accumulation Scheme's summary financial statements for the year ended 31 March 2023.

The Auditor-General is the auditor of Lump Sum Cash Accumulation Scheme (the Scheme). The Auditor-General has appointed me, Silvio Bruinsma, using the staff and resources of Deloitte Limited, to carry out the audit of the summary financial statements of the Scheme on his behalf.

OPINION

The summary financial statements of the Scheme that comprise the summary statement of net assets as at 31 March 2023, the summary statement of changes in net assets, and the summary statement of cash flows for the year ended on that date, and related notes, are derived from the full financial statements for the year ended 31 March 2023 that we have audited.

In our opinion, the summary financial statements are consistent, in all material respects, with the full financial statements for the year ended 31 March 2023, in accordance with FRS-43: Summary Financial Statements issued by the New Zealand Accounting Standards Board.

SUMMARY FINANCIAL STATEMENTS

The summary financial statements do not contain all the disclosures required by generally accepted accounting practice in New Zealand. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the full financial statements and the auditor's report thereon.

The summary financial statements do not reflect the effects of events that occurred subsequent to the date of our auditor's report on the full financial statements.

THE FULL FINANCIAL STATEMENTS AND OUR AUDIT REPORT THEREON

We expressed an unmodified audit opinion on the full financial statements for the year ended 31 March 2023 in our auditor's report dated 6 July 2023.

BOARD OF TRUSTEES' RESPONSIBILITY FOR THE SUMMARY FINANCIAL STATEMENTS

The Board of Trustees is responsible on behalf of the Scheme for the preparation of the summary financial statements in accordance with FRS-43: Summary Financial Statements.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the full audited financial statements of the Scheme, based on our procedures, which were carried out in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board.

We did not evaluate the security and controls over the electronic publication of the summary financial statements.

Other than in our capacity as auditor, we have no relationship with, or interests in the Scheme.
