SUMMARY FINANCIAL STATEMENTS

The summary financial statements included in this Annual Report have been extracted from the full financial statements for the year ended 31 March 2026.

The summary financial statements cannot be expected to provide as complete an understanding as the full financial statements.

INVESTMENT PERFORMANCE CONTINUED

Global equities generated modest returns over the year ended 31 March 2026. Artificial intelligence related businesses continued to play an important role in returns. There was increased volatility during the March quarter as investors responded to international conflict and shifting expectations for global growth, inflation, and central banks' policy. Global interest rates remained high over the year, with bond markets influenced by persistent inflation concerns. Bond returns were modestly positive overall. The New Zealand equity market delivered weaker returns than broader global equity markets, reflecting weaker domestic economic conditions, cautious consumer spending and pressure on company earnings across several sectors.

See the comparison over the page for the key statistics of your Scheme over the last 10 years. For an overview of the financial performance of the Scheme, refer to the tables on the following pages.

EARNINGS RATE

The earnings rate declared by the Board for the Scheme for the year ended 31 March 2026 was 4% (2025: 4%). The Board continues to apply its crediting and reserving policy. At 31 March 2026, the reserves were 10.20% of contributors' total credits (2025: 7.9%).

The Auditor-General is the auditor of Lump Sum Cash Accumulation Scheme (the Scheme). The Auditor-General has appointed me, Pam Thompson, using the staff and resources of Deloitte Limited, to carry out the audit of the summary financial statements of the Scheme on his behalf.

OPINION

The summary financial statements of the Scheme that comprise the summary statement of net assets as at 31 March 2026, the summary statement of changes in net assets, and the summary statement of cash flows for the year ended on that date, and related notes, are derived from the full financial statements for the year ended 31 March 2026 that we have audited.

In our opinion, the summary financial statements are consistent, in all material respects, with the full financial statements for the year ended 31 March 2026, in accordance with FRS-43: Summary Financial Statements issued by the New Zealand Accounting Standards Board.

SUMMARY FINANCIAL STATEMENTS

The summary financial statements do not contain all the disclosures required by generally accepted accounting practice in New Zealand. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the full financial statements and the auditor's report thereon.

The summary financial statements do not reflect the effects of events that occurred subsequent to the date of our auditor's report on the full financial statements.

THE FULL FINANCIAL STATEMENTS AND OUR AUDIT REPORT THEREON

We expressed an unmodified audit opinion on the full financial statements for the year ended 31 March 2026 in our auditor's report dated 26 June 2026.

BOARD OF TRUSTEES' RESPONSIBILITY FOR THE SUMMARY FINANCIAL STATEMENTS

The Board of Trustees is responsible on behalf of the Scheme for the preparation of the summary financial statements in accordance with FRS-43: Summary Financial Statements.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the full audited financial statements of the Scheme, based on our procedures, which were carried out in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board.

We did not evaluate the security and controls over the electronic publication of the summary financial statements.

Other than the audit and an assurance engagement for the register of members, we have no relationship with, or interests in, the Scheme.
