

# Lump Sum National Scheme

On behalf of the Board of Trustees of the National Provident Fund, set out below is a report on the performance and activities of your Scheme for the year ended 31 March 2021. Further information on the National Provident Fund's activities, and commentary on investment markets, is set out in the Review.

## Your Scheme

### CROWN GUARANTEE

The Lump Sum National Scheme is a defined contribution scheme. The benefits payable by your Scheme are guaranteed by the Crown.

### LOCKED-IN SECTION

The Locked-in section of the Scheme was created on 1 July 2007 as an alternative to KiwiSaver schemes. The Locked-in section has many of the benefits of KiwiSaver schemes, and also has the Crown guarantee and the 4% pa minimum earnings rate. These two features are hallmarks of the NPF schemes and are not available with KiwiSaver schemes. Further details are available on our website – [www.npf.co.nz](http://www.npf.co.nz).

### INVESTMENT PERFORMANCE

The asset class returns (before tax and expenses) and the comparative performance of the benchmark indices are shown in the table below.

| Asset Class        | Return  | Index  |
|--------------------|---------|--------|
| Fixed interest     | 9.58%   | 1.39%  |
| Alternatives       | (1.19%) | 0.31%  |
| New Zealand shares | 32.15%  | 28.93% |
| Overseas shares    | 49.79%  | 41.01% |

The investment return (after tax and expenses) earned by the Scheme, for the year ended 31 March 2021, was 22.53%.

See the comparison over the page for the key statistics of your Scheme over the last 10 years. For an overview of the financial performance of the Scheme, refer to the tables on the following pages.

## EARNINGS RATE

The earnings rate declared by the Board for the Scheme for the year ended 31 March 2021 was 15.46% on contributors' total credits as at 1 April 2020, and 6.184% on contributions paid during the year. In line with the Board's crediting and reserving policy, the difference between the investment return of 22.53% and the earnings rate of 15.46% credited to members' total credits as at 31 March 2021 has been credited to the reserves of the Scheme. The reserves are now 6.2% of contributors' total credits (2020: 0.1%).

The objective of the Board's crediting and reserving policy is to build the reserves back up to 10% of contributors' total credits. An equitable share of any positive reserves is added to a contributor's total credit on retirement, withdrawal through redundancy or permanent incapacity, or on death before the contributor has commenced receiving a benefit.

## HOW YOUR MONEY IS INVESTED

The Scheme's asset allocation strategy is set by the Board and reviewed regularly. The asset allocation strategy was last reviewed by the Board in February 2021. In addition, during the year, the Board has applied its Dynamic Asset Allocation (DAA) tilting programme as outlined in the Statement of Investment Policies, Standards and Procedures (SIPSP).

The pie charts show the Scheme's asset allocation strategy effective from 1 October 2018, the new asset allocation effective from 1 February 2021 and the DAA position in place as at 31 March 2021.

**Asset Allocation Strategy from 1 October 2018**

**Asset Allocation Strategy from 1 February 2021**

### COVID-19 IMPACT

Around the world the Covid-19 outbreak has led to significant economic slowdown and volatility. These disruptions are likely to continue into the foreseeable future and provide uncertainty for the value of the investment assets and the income earned from them. For the year ended 31 March 2021 the Scheme has recorded a gain from unit funds of \$101 million. This compares to a loss of \$12 million in the previous year. The Board continues to monitor the impact of the movements in the market on an ongoing basis.

\* Following a trust deed amendment on 5 April 2001, once reasonable efforts have been made to locate a member who has been missing for at least five years, the Board may extinguish the liabilities to that member. Where a person re-establishes contact with the Board within 15 years of the liabilities to that person being extinguished, the person is reinstated as a member of the Scheme.

### CONTRIBUTIONS AND BENEFIT PAYMENTS

As at 31 March 2021, there were 2,214 members in the Scheme (2019: 2,327), with allocated contributors' total credits of \$507.5 million (2019: \$452 million). These numbers include the members of the Locked-in section.

For the Locked-in section, as at 31 March 2021 there were 134 members, of whom 55 were not contributing (2020: 138 and 51) with allocated contributors' total credits of \$18.11 million (2020: \$15.43 million). There were 3 retirements from the Locked-in section and one withdrawal during the year to 31 March 2021. The total value of assets withdrawn from the Locked-in section of the Scheme during the year was \$590,049.

On the basis of evidence available, the Board believes all contributions required to be made to the Scheme, in accordance with the terms of the Scheme trust deed, have been made.

The Board certifies, to the best of its knowledge, all benefits required to be paid from the Scheme were paid in accordance with the terms of the Scheme trust deed.

The Board, based on the advice of the Actuary, certifies that as at 31 March 2021 the market value of the net assets of the Scheme exceeded the total value of the vested benefits of the Scheme.

The Board confirms, to the best of its knowledge, not more than 10 percent of the market value of the assets of the Scheme at any time during the year was invested with employers (or associated entities), either directly or indirectly, who are parties to the Scheme.

### FEES

Scheme administration fees are calculated on fee per member and fee per transaction bases and are charged to the Scheme as a whole. Effective 1 October 2020, the administration fees increased in line with inflation. The Board certifies it is satisfied the increase in the administration fees for the Scheme is not unreasonable. The Board is satisfied the total management fees charged to the Scheme are not unreasonable.

### TRUST DEED AMENDMENT

The Scheme Trust Deed was last amended on 6 May 2021 (after year end). The amendments are effective from 30 January 2021 and were made following the repeal of the Trustee Act 1956 to address changes brought about under the Trusts Act 2019. A copy of the trust deed is available on request.

## INDEPENDENT AUDITOR'S REPORT

### To the readers of Lump Sum National Scheme's Summary Financial Statements for the year ended 31 March 2021.

The Auditor-General is the auditor of Lump Sum National Scheme (the Scheme). The Auditor-General has appointed me, Silvio Bruinsma, using the staff and resources of Deloitte Limited, to carry out the audit of the summary financial statements of the Scheme on his behalf.

### OPINION

The summary financial statements of the Scheme that comprise the summary statement of changes in net assets as at 31 March 2021, the summary statement of net assets and the summary statement of cash flows for the year ended on that date, and related notes, are derived from the full financial statements for the year ended 31 March 2021 that we have audited. In our opinion, the summary financial statements are consistent, in all material respects, with the full financial statements for the year ended 31 March 2021, in accordance with FRS-43: Summary Financial Statements issued by the New Zealand Accounting Standards Board.

### SUMMARY FINANCIAL STATEMENTS

The summary financial statements do not contain all the disclosures required by generally accepted accounting practice in New Zealand. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the full financial statements and the auditor's report thereon.

### THE FULL FINANCIAL STATEMENTS AND OUR AUDIT REPORT THEREON

We expressed an unmodified audit opinion on the full financial statements for the year ended 31 March 2021 in our auditor's report dated 24 June 2021.

### BOARD OF TRUSTEES' RESPONSIBILITY FOR THE SUMMARY FINANCIAL STATEMENTS

The Board of Trustees is responsible on behalf of the Scheme for the preparation of the summary financial statements in accordance with FRS-43: Summary Financial Statements.

### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the full audited financial statements of the Scheme, based on our procedures, which were carried out in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board.

We did not evaluate the security and controls over the electronic publication of the summary financial statements.

Other than in our capacity as auditor, we have no relationship with, or interests in the Scheme.
