SUMMARY FINANCIAL STATEMENTS

The summary financial statements included in this Annual Report have been extracted from the full financial statements for the year ended 31 March 2020.

The summary financial statements cannot be expected to provide as complete an understanding as the full financial statements. Members are welcome to contact the Scheme administrator, Datacom (see details on back page), for a free copy of the Scheme's full financial statements.

Pension Cash Accumulation Scheme

EARNINGS RATE

The earnings rate declared by the Board for the Scheme for the year ended 31 March 2020 was 4.0%. There was no distribution from reserves this year. In line with the Board's crediting and reserving policy, the difference between the investment return of -0.27% and the earnings rate of 4.0% has been taken from the reserves of the Scheme. The reserves are now -3.2% of contributors' total credits (2019: 1.6%).

The objective of the Board's crediting and reserving policy is to build the reserves back up to 10% of contributors' total credits. An equitable share of any positive reserves is added to a contributor's total credit on retirement, withdrawal through redundancy or permanent incapacity or on death before the contributor has commenced receiving a benefit.

NOTES TO THE SUMMARY FINANCIAL STATEMENTS

The summary financial statements:

- have been extracted from the full financial statements which were:
 - prepared in accordance with, and comply with, the New Zealand Equivalents to International Financial Reporting Standards;
 - authorised for issue by the Board on 29 June 2020; and
 - audited and received an unmodified opinion;
- cannot be expected to provide as complete an understanding as provided by the full financial statements;
- are reported in New Zealand dollars, rounded to the nearest thousand;
- are for a profit oriented entity; and
- comply with Financial Reporting Standard 43: Summary Financial Statements.

COVID-19 IMPACT

Since 31 March 2020 the continued spread of COVID-19 and related global responses have caused material disruptions to businesses around the world, leading to an economic slowdown. Global markets have also experienced significant volatility. The subsequent quarantine measures and travel restrictions imposed by the New Zealand government have caused disruption to businesses and economic activity. As the Scheme is an essential service, operations have been able to continue remotely during the government alert levels.

Governments and central banks have reacted with monetary and fiscal interventions designed to stabilise economic conditions, however, the duration and extent of the impact of Covid-19 outbreak, as well as the effectiveness of the responses, remain unclear at this time.

The Scheme has recorded a loss from unit funds of \$0.029 million for the year ended 31 March 2020. In addition, the Scheme has obtained an interim update letter to its triennial actuarial valuation and certain assumptions were updated with latest available information (see note 12 of the full financial statements). The vested benefits of the Scheme of \$18.030 million is higher than the net assets of \$17.461 million, resulting in a deficit of \$0.569 million. However, the deficit has to be read in conjunction with note 10 of the full financial statements, that the benefits payable by the Scheme are guaranteed by the Crown under section 60 of the National Provident Fund Restructuring Act 1990.

As at 30 April 2020, one month after the reporting date of these financial statements, the fair value of the schemes Investment Assets had increased by \$0.431 million. It is expected the volatility in local and global markets affecting the investment assets will continue in foreseeable future and will continue to have an impact on the value of the investment assets. These are considered to be non-adjusting subsequent events and therefore there is no change in value reflected in these financial statements. The Board is monitoring the impact of the movements in the market on an ongoing basis.

TRUSTEE'S REPORT

For the year ended 31 March 2020

The Board of Trustees of the National Provident Fund, as trustee of the Scheme, provides members with the following information in respect of the Scheme.

Changes in the Scheme membership numbers during the year were as follows:

	Contributors
Opening membership as at 1 April 2019	253
Retirements	(16)
Withdrawals	-
Transfers	(57)
Deaths and disablements	(5)
Joins/rejoins	5
Extinguished liabilities*	(1)
Closing membership as at 31 March 2020	179

* Following a trust deed amendment on 5 April 2001, once reasonable efforts have been made to locate a member who has been missing for at least five years, the Board may extinguish the liabilities to that member. Where a person re-establishes contact with the Board within 15 years of the liabilities to that person being extinguished, the person is reinstated as a member of the Scheme.

The terms of the Scheme trust deed do not specify contribution levels.

The Board certifies that, to the best of its knowledge, all benefits required to be paid from the Scheme were paid in accordance with the terms of the Scheme trust deed.

The Board, based on the advice of the Actuary, certifies that as at 31 March 2020, the market value of the net assets was approximately equal to the amount that would have been payable if all members transferred out of the Scheme on that date but was less than the amount that would have been payable if all contributors retired on that date.

FEES

Total Scheme administration fees are calculated on fee per member and fee per transaction bases, and are charged to the Scheme as a whole. Effective 1 October 2019, the administration fees increased in line with inflation. The Board certifies it is satisfied the increase in the administration fees for the Scheme is not unreasonable. The Board is satisfied the total management fees charged to the Scheme are not unreasonable.

TRUST DEED AMENDMENTS

The Scheme trust deed has not been amended since the date of the last annual report, 25 June 2019. A copy of the trust deed is available on www.npf.co.nz.

INDEPENDENT AUDITOR'S REPORT

To the members of Pension Cash Accumulation Scheme Summary financial statements for the year ended 31 March 2020

The Auditor-General is the auditor of Pension Cash Accumulation Scheme (the Scheme). The Auditor-General has appointed me, Silvio Bruinsma, using the staff and resources of Deloitte Limited, to carry out the audit of the summary financial statements of the Scheme on his behalf.

Opinion

The summary financial statements of the Scheme that comprise the summary statement of changes in net assets as at 31 March 2020, the summary statement of net assets and the summary statement of cash flows for the year ended on that date, and related notes, are derived from the full financial statements for the year ended 31 March 2020 that we have audited.

In our opinion, the summary financial statements are consistent, in all material respects, with the full financial statements for the year ended 31 March 2020, in accordance with FRS-43: Summary Financial Statements issued by the New Zealand Accounting Standards Board.

Summary Financial Statements

The summary financial statements do not contain all the disclosures required by generally accepted accounting practice in New Zealand. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the full financial statements and the auditor's report thereon.

The summary financial statements do not reflect the effects of events that occurred subsequent to the date of our auditor's report on the full financial statements.

The full financial statements and our audit report thereon

We expressed an unmodified audit opinion on the full financial statements for the year ended 31 March 2020 in our auditor's report dated 29 June 2020. That report also includes an emphasis of matter that draws attention to note 15 of the audited financial statements which explains the impact of the Covid-19 pandemic on the Scheme.

Board of Trustees' responsibility for the summary financial statements

The Board of Trustees is responsible on behalf of the Scheme for the preparation of the summary financial statements in accordance with FRS-43: Summary Financial Statements.

Auditor's responsibility

Our responsibility is to express an opinion on whether the summary financial statements are consistent, in all material respects, with the full audited financial statements of the Scheme, based on our procedures, which were carried out in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board.

We did not evaluate the security and controls over the electronic publication of the summary financial statements.

Other than in our capacity as auditor, we have no relationship with, or interests in the Scheme.
