Further details are available on our website - www.npf.co.nz.

EARNINGS RATE

The earnings rate declared by the Board for the Scheme for the year ended 31 March 2016 was 4.0% on contributors' total credits as at 1 April 2015, and 1.6% on contributions paid during the year. In line with the Board's crediting and reserving policy, the difference between the investment return of 3.51% and the earnings rate of 4.0% credited to members' total credits as at 31 March 2015 has been drawn from the reserves of the Scheme. The reserves are now 7.8% of contributors' total credits (2015: 8.2%).

The objective of the Board's crediting and reserving policy is to build the reserves back up to 10% of contributors' total credits. An equitable share of any positive reserves is added to a contributor's total credit on retirement, withdrawal through redundancy or permanent incapacity, or on death before the contributor has commenced receiving a benefit.

HOW YOUR MONEY IS INVESTED

TRUSTEE'S REPORT

For the year ended 31 March 2016

The Board of Trustees of the National Provident Fund, as trustee of the Scheme, provides members with the following information, as required by the Second Schedule to the Superannuation Schemes Act 1989.

Changes in the Scheme membership numbers during the year were as follows:

	Contributors		Total
	Non Locked-in Section	Locked-in Section	
Opening membership as at 1 April 2015	3,019	149	3,168
Retirements	(178)	(5)	(183)
Withdrawals	(38)	-	(38)
Transfers	(74)	-	(74)
Deaths and disablements	(55)	-	(55)
Joins/rejoins	154	1	155
Extinguished liabilities*	147	-	147
Closing membership as at 31 March 2016	2,975	145	3,120

* Following a trust deed amendment on 5 April 2001, once reasonable efforts have been made to locate a member who has been missing for at least five years, the Board may extinguish the liabilities to that member. Where a person re-establishes contact with the Board within 15 years of the liabilities to that person being extinguished, the person is reinstated as a member of the Scheme.

On the basis of evidence available, the Board believes all contributions required to be made to the Scheme, in accordance with the terms of the Scheme trust deed, have been made.

The Board certifies that, to the best of its knowledge, all benefits required to be paid from the Scheme were paid in accordance with the terms of the Scheme trust deed.

The Board based on the advice of the Actuary certifies that, as at 31 March 2016, the market value of the net assets of the Scheme exceeded the total value of the vested benefits of the Scheme.

The Board confirms that, to the best of its knowledge, not more than 10 per cent of the market value of the assets of the Scheme at any time during the year was invested with employers (or associated entities), either directly or indirectly, who are parties to the Scheme.

As at 31 March 2016 there were 145 members in the Locked-in section, with assets amounting to \$9,259,000 (2015: \$8,183,000). There were five retirements totalling \$581,467 and one member joined the Scheme during the year to 31 March 2016. Total Scheme administration fees are calculated on fee per member and fee per transaction bases and are charged to the Scheme as a whole. Effective 1 October 2015 the administration fees increased in line with inflation. The Board certifies it is satisfied the increase in the administration fees for the Scheme is not unreasonable. The Board is satisfied the total management fees charged to the Scheme are not unreasonable.

TRUST DEED AMENDMENTS

There have been no amendments to the Scheme trust deed since the date of the last annual report, 25 June 2015. A copy of the trust deed is available on our website - www.npf.co.nz.

INDEPENDENT AUDITOR'S REPORT

To the readers of the Pension National Scheme's Summary Financial Statements for the year ended 31 March 2016

We have audited the summary financial statements, which were derived from the audited financial statements of the Pension National Scheme (the Scheme) for the year ended 31 March 2016 on which we expressed an unmodified audit opinion in our report dated 23 June 2016.

The summary financial statements comprise the summary statement of net assets as at 31 March 2016, and summaries of the statement of changes in net assets and the statement of cash flows for the year then ended and the related notes.

Opinion

In our opinion, the information reported in the summary financial statements complies with FRS-43: *Summary Financial Statements* and is consistent in all material respects with the audited financial statements from which they have been derived.

Basis of opinion

The audit was conducted in accordance with the Auditor-General's Auditing Standards which incorporate the International Standards on Auditing (New Zealand).

The summary financial statements, and the audited financial statements from which they were derived, do not reflect the effects of events that occurred subsequent to our report dated 23 June 2016 on the audited financial statements.

The summary financial statements do not contain all the disclosures required for audited financial statements under generally accepted accounting practice in New Zealand. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of the Scheme.

Responsibilities of the Board of Trustees and the Auditor

The Board of Trustees is responsible for preparing the summary financial statements in accordance with FRS-43: *Summary Financial Statements*. The Board of Trustees is also responsible for the publication of the summary financial statements whether in printed or electronic form. We are responsible for expressing an opinion on those statements, based on the procedures required by the Auditor-General's auditing standards and the International Standard on Auditing (New Zealand) 810: *Engagements to Report on Summary Financial Statements*.

Other than in our capacity as auditor we have no relationship with, or interest in, the Scheme.
